

## I-SERIES Continuous Centrifugal

**Exclusive side-feed design** for reduced crystal breakage and minimal purity rise

**Multi-point internal suspension** for superior vibration isolation

**Largest open area and highest production capacity** in the market

**5-year basket warranty** on the most durable basket available

**Gentle “guide-rod” style massecuite conditioning system** minimizes crystal breakage and limits dissolved sugar

**Best long term value**  
based on tons of sugar produced per hour

**Every unit precision tested**  
before leaving the factory

**Touch screen controls**  
with intuitive interface

**Simplified maintenance:**  
Faster screen changes  
Minimal screen segments  
Top accessible bearing housing  
Easy access belt tunnel

**No machine ever becomes obsolete**

**24/7/365 Emergency service  
and support**

**COMPETITIVELY  
PRICED**
